The effect of the proposed amendments will be to adopt revisions to federal regulations, clarify existing regulations, and streamline the existing air quality permitting process for specific types of operations. The reason for adopting the proposed amendments is to continue to have South Dakota's air pollution control program rules comply with the federal regulations and to allow South Dakota to maintain approval of its air quality program.

Persons interested in presenting data, opinions, and arguments for or against the proposed amendments may do so by appearing in person at the hearing or by submitting written comments to the South Dakota Department of Environment and Natural Resources at the mailing address that appears below. Material sent by mail must reach the department by the close of business on August 18, 2015, to be considered.

After the hearing, the board will consider all written and oral comments it receives on the proposed amendments. The board may modify or amend a proposed rule at that time to include or exclude matters that are described in this notice.

Notice is further given to individuals with disabilities that this hearing is being held in a physically accessible place. Please notify the department at least 48 hours before the public hearing if you have special needs for which special arrangements must be made. The telephone number for making special arrangements is (605) 773-3151.

Copies of the proposed rules may be obtained without charge from the following:
